Hi there ive never been a big fan of canister filters for reasons i wont elaborate on now, but after some investigation, ive found this is not an unheard of problem with the 405. So keep a check on that. Fluval 306 canister filter - maintenance questions. Phosphates naturally occur as bi-products of waste in the tank, and this is exactly what this filter model from Fluval seeks to remove. Fluval Primer Assembly Kit for Fluval 106, 206, 306 or 406 External Filter 4.5 out of 5 stars (6) 6 product ratings - Fluval Primer Assembly Kit for Fluval 106, 206, 306 or 406 External Filter It has a filter capacity of 100 gallons and offers a multi-stage filtration which provides a deep clean for ... 1st, how old is your 406? Only problem is the flow through the intake nozzle is very strong due to the intake tube being rather narrow. I recently purchased a Fluval 406 for my living room 55 gallon goldfish tank. Fluval 406 Review. The noise has been consistent for the past three months, but it is annoying. the impeller shaft and the fins had broken on my year old Fluval 406. I use it for two turtles (red eared sliders) so the filter is in constant overdrive since they're messy little guys. Building on the solid foundation of its predecessor, the Fluval 406 delivers many improved benefits, including better filtration, less maintenance frequency, faster setup, and quieter operation. • While conducting the Fluval 406 review considering customer feedback, some customers opined that the filter leaks after using for several months. Re: Fluval 406 external filter leaking « Reply #2 on: March 21, 2018, 07:42:41 pm » You have probably checked but make sure the groove that the seal sits in is clean, also when you put the top on let the clips pull it down into position, dont press it in then close the clips if that makes sense. With an advanced motor technology and enhanced filter design, you would experience the flow rate is maintained until the end of the maintenance cycle. I bought a fluval roma 240 tank set up about a year ago, this came supplied with a brand new 406 external filter, after about 4 months it started rattling very loudly. The Fluval G6 reviews are mainly super positive. The next feature we love from these filters is their AquaStop valve which is available to help your Fluval filter be more convenient because this valve can be turned 90 degrees to stop the flow of water through their intake and outflow tubing so then we can purge the filter and disconnect safely, with less mess. I have had this for a couple of months and I think that it may have a bypass problem. 1,012 1.0K. So, an elevated phosphate level can indeed cause problems and deplete the oxygen content of the tank dramatically. Your Fluval 406 is a mighty fine filter and should serve you well for many years. Joined 18 Apr 2013 Messages 489. Maidenhead thought it would be grit in the impeller section but when they looked they couldnt find the problem and gave me a new one. Apply Fluval silicone lubricant (#A325) to the O-ring. Fluval FX4 & FX6 Canister Filters European ingenuity has fueled the next generation of FX canister filters, which feature patented SMART PUMP™ performance-optimizing technology, a built-in water change system, multi-stage filtration with enhanced media flexibility and even an optional powered FX Gravel Vac with independent filtering capability, and that connection is above water level. Mairmeland C-360. I have used a 306 on a 55 gallon community tank in another room for the past 3 years and it has done a great job with no problems. I recently discovered that my Fluval 406 has been leaking water. Check The Product Here In searching for the most versatile and appropriate filter for a larger tank, canister filters have always been near the top of the list. Incorrect setup can result in water leaks, priming issues, noisy operation, and premature failure of the filter. My partner tried to sleep in the room with it on and it was impossible. 206 water filtration systems pdf manual download. Shop all fish filters online 18 May 2015 #1 Hi, Anyone got any experience with the Fluval 406? Anyway my issue, I bought a new Fluval 406 Canister yesterday, which is being advertised as "Whisper Quiet" That says to me that I should not be able to hear it outside of the cabinet, or across the room, or in another room? The Fluval 406 is a canister type filter which promises support of aquariums up to 100 gallons with better performance and power consumption compared to previous generations. Its 9 months old (bought second hand). • The impeller of Fluval 406 has a tendency of growing problems after 6 months. Member. I watched a couple dozen Youtubes on this seemingly common problem, completely overhauled the filter, but still nothing. It worked great and was dead silent up until around 3 months ago when I noticed a mild humming noise. Find honest and helpful reviews for Fluval External Filter for Aquariums at Chewy.com. Other people say they have to put their ears right next to it to know it's on whereas I have near it (a kind of whirring) noise clearly from across the room. I just got a Fluval 406 canister filter for my 55g. It's a phenomenal piece of equipment and it delivers exactly what it promises. Thoroughly wipe the receiving groove in the filter with a soft cloth. Fluval 406 Setup And Maintenance Setup. It works very well and keeps water very clean. All I have read points to the Impeller as the culprit, also a slight possibility since you just serviced it is an air pocket in the impeller chamber, which is commonly known as air lock. New Fluval 406 - Problems. Thread starter Bertie, Start date 18 May 2015; Bertie Member. I sold a lot of Fluval canisters over the years ( I was the #1 fluval canister dealer in NOR CAL 6 years straight) and I find the new design to be overrated, and way overpriced. Care must be taken to set up this filter correctly to prevent problems and ensure efficient operation. Hi, I've recently purchased a new Fluval 406 and despite it being described as 'whisper quiet' it's really quite noisy. Fluval® External 406 Canister Filter at PetSmart. The new one after about 3-4 months again is making this rattling noise again! This is the future of our hobby. I find the fluval to be finicky and have lot of problems. Good luck!
